Independent Auditors' Limited Review Report

The Board of Directors, Bank of India, Mumbai

- 1. We have reviewed the accompanying statement of unaudited financial results (the Statement) of Bank of India for the quarter & nine months' ended 31st December, 2015, except for the disclosures regarding 'Public Shareholding' and 'Promoter and Promoter Group Shareholding' which have been traced from disclosures made by the management and have not been reviewed by us. Further, "Pillar 3 disclosures under Basel III Capital Regulations", as disclosed on the Bank's website and in respect of which a link has been provided in the Statement, have not been reviewed by us. This Statement is the responsibility of the Bank's Management and has been approved by the Board of Directors. Our responsibility is to issue a report on these unaudited financial statements based on our review.
- 2. We conducted our review in accordance with the Standard on Review Engagement (SRE) 2410 "Review of Interim Financial Information Performed by the Independent Auditor of the Entity" issued by The Institute of Chartered Accountants of India. This standard requires that we plan and perform the review to obtain moderate assurance as to whether the financial statements are free of material misstatement. A review is limited primarily to inquiries of Bank's personnel and analytical procedures applied to financial data and thus provides less assurance than an audit. We have not performed an audit and accordingly, we do not express an audit opinion.
- 3. The financial result incorporate the relevant returns of 20 branches and Treasury Branch reviewed by us, and 28 foreign branches reviewed by other auditors specially appointed for this purpose and un-reviewed returns in respect of 4964 branches. These review reports cover 62.85% of the advances portfolio (excluding outstanding of asset recovery branches and food credit advance) of the Bank and 59.08% of non-performing assets of the bank.
- 4. Without qualifying our conclusion, we draw attention to:
 - Note no. 4 regarding reclassification and additional provision in respect of certain advances;
 - Note no. 5 regarding change in the accounting policy for provisioning in respect of NPAs classified as Doubtful (Secured Portion)-One year to three years;
 - Note no. 6 regarding amortisation of provision for certain NPAs and loss on sale of certain NPAs;
 - Note no. 7 regarding amortisation of shortfall on sale of financial assets to ARCs;
 - Note no. 8 regarding re-computation of diminution in fair value of restructured assets; and

- Note no. 15 regarding adoption of IALM 2006-08 mortality table as against LIC 1994-96 table followed earlier.
- 5. As stated in the Note 11 of the financial statements, the bank has outstanding deferred tax assets of ₹ 834.29 Crores including ₹ 772.47 Crores recognised during the period. In the absence of virtual certainty as on date about availability of sufficient future taxable income, the recognition of deferred tax asset is not in accordance with the "Accounting Standard 22-Accounting for Taxes on Income", with consequent understatement of the loss for the quarter/period.
- 6. Based on our review conducted as above, subject to limitations in scope as mentioned in Para 3 above and read with the Notes to Unaudited Financial Results except as stated in Para 5 above, nothing has come to our attention that causes us to believe that the accompanying unaudited financial results together with the notes thereon, prepared in accordance with applicable Accounting Standards and other recognised accounting practices and policies has not disclosed the information required to be disclosed in terms of Regulation 33 of the SEBI (Listing Obligations & Disclosures requirements) Regulations, 2015 including the manner in which it is to be disclosed, or that it contains any material misstatement or that it has not been prepared in accordance with the relevant prudential norms issued by the Reserve Bank of India in respect of income recognition, asset classification, provisioning and other related matters.
